### **WIN FOR CHARITY SISTERS**

THE Sisters of Charity Outreach's eastern area visit program has been recognised with a special Seniors Week award. Established in 1996, the service is made up of volunteers who visit isolated or disabled people at their homes. They provide respite care and companionship, organise social activities, and assist with advocacy and referrals to health agencies. The award came from the NSW Department of Ageing Disability and Home Care under the category of community service/volunteering.
